CHUCK GANNON will not be attending Balticon 58. He sends his regrets and will miss everyone.

MADISON "METRICULA" ROBERTS will not be able to attend Balticon 58. We wish her a speedy recovery.

DESCRIPTION CHANGES

SATURDAY, 10:45 AM, ROOM 7006, Fun with Science with Brent Warner: Get ready for a science demo sure to delight and excite! Be prepared to get a little hands on and come armed with questions and curiosity. Best for ages 5 and up.

SATURDAY, 1:00 PM, ROOM 7006, Dinosaurs with Dr. Tom Holtz: Everyone's favorite paleontologist is stopping by with a kid-friendly version of the annual dinosaur update. Want to know the latest in cool dino discoveries worldwide? Come on down! Good for all ages.

SATURDAY, 2:30 PM, ROOM 7006, Cookie Decorating: Who wants a custom decorated sugar cookie? I sure do! Channel the outrageous baking show of choice or just whip together a free snack. Best for ages 3 and up. Allergy warning: eggs, dairy, gluten

SATURDAY, 5:30 PM, ROOM 7006, Stories with Tim Livengood: Tim is an astronomer by day. It took him years to realize why people think that is funny. He tells stories in a humorous vein all across the Washington DC region. Bits of science appear here and there as he tries to explain the world the way it is, or at least the way it could be. Best for ages 5 and up.

SUNDAY, 10:00 AM, ROOM 7006, Steampunk Trunks: Decorate a marvelous small wooden box for all the steampunk doodads and notions you have back on your airship! We'll use a range of decorating techniques and materials. Best for ages 5 and up.

SUNDAY, 2:30 PM, ROOM 7006, Monster Apples: Have a spooky apple-icious snack with us! Liven up one of nature's favorite handheld treats with edible decorations, or just have the apple and skip any possible allergens. Best for ages 3 and up. Allergy Warning: nuts, dairy.

MONDAY, 10:00 AM, ROOM 7006, Frankenstuffies with Naomi Sipple: Let out your inner mad scientist with crafty genius Naomi! Her library of stuffed animal elements is ready and waiting for an exciting new existence as mashed-up creatures of your imagination. Pick a bit from here, a bit from there, add a little embroidery floss, and voila! IT'S ALIVE! Best for ages 8 and up.

MONDAY, 10:45 AM, ROOM 7006, Crafting and Lego Challenge: Tons of LEGO, kids and imagination! A quick craft you can take home with you and enjoy! Chill Monday vibes! Nothing more to say. Best for ages 5 and up.
